Welcome to another season of Nassau County girls High School Soccer. I Hope you had a good summer, and are starting to get yourself and your uniforms into top shape for the upcoming season.

The Executive Board has been active during the summer, and hoping to make the coming season and meetings run smoothly.

Active members will be given a clear rain jacket, this year at our first meeting on September 7th (Interpretation and General meeting). I am reminding members that by making our interpretation and the immediately following, general meeting, you will only be require making one more of our next two general meetings. If you attend another Board's interpretation meeting, you will be required to make both of our Board's next two general meetings.

David Poli has done a good job on keeping our Web Site up to date. The site will answer all the questions that you have about our organization including: When the test is due back -- When dues are payable by—When Sportsmanship ballots are due—as well as the time, date and place of all our meetings. I could give this information to you, but I think it is better for you to look it up on our website.

Keep your availability with BOCES up to date. Close out all dates that you are not available. If you are called to do a game and you at not available, and don't have it closed out, you will be charge a \$30 fee by BOCES.

I am looking forward to seeing everyone at the first meeting on September 7, 2011 at 7:30 at ISLAND TREES HIGH SCHOOL cafeteria. Enjoy the rest of you summer and stay well.
