

## NCGSOA Sportsmanship Ballot Sheets

### Sportsmanship ballots are due November 1

**All sportsmanship ballots are due back on November 1. Even if you still have scheduled games, you must send in your ballots. If you are a active member and did not officiate any games you need to send a ballot and mark on that ballot that you did not officiate any games this season. You only need to send in the ballots for the levels you officiated. If you referee a school more than once, only enter one score, which would be the average of all the games you did for that one school at that level.**

**Send them to:**
